Excursions

Educational excursions and camps which broaden the learning experiences of our students are encouraged by our school community.

The trips are closely linked to regular classroom instruction and utilise the community and regional resources as part of the curriculum. Trips are well-planned, supervised and conducted on locally operated buses, or private vehicles.

When children leave the school as a group on an educational trip, prior permission from the parents is sought. If parents are agreeable for their child to accompany their class on an excursion, they should sign the consent form and return it to the office without delay. Children who do not produce a written permission form from parents and/ or do not pay by the due date will not be allowed to participate in the trip. Children are required to wear full school uniform, including hats and shoes.

Parents in difficult financial circumstances may request confidential assistance through the Principal.
